

What is MWR?

Navy Morale, Welfare and Recreation (MWR) includes more than 50 different activities, such as fitness centers, movies, golf, bowling, swimming pools, cabins and campgrounds, marinas, Navy Sports, Information, Tickets and Travel (ITT) and Liberty Programs.

These are just some of the MWR programs and services available to you.

MWR supports your mission readiness and overall quality of life. Available at every Navy installation worldwide and on board Navy ships at sea, you'll find MWR wherever you go!

Why use MWR?

MWR programs are priced to be competitive with establishments located outside the base. Do a price/value comparison and you'll choose MWR every time!

The money you spend using MWR programs and service is reinvested into the overall program.

The next time you want to play ball, plan a vacation, fix your car, see a movie, have lunch or work out...*think Navy, think MWR!*
